How we Live, Learn, Work, and Play from our Home!

Thank you for downloading our Summer Brain Booster Level 1 Packet! These exercises are designed for kids finishing Kindergarten - 1st grade. I hope these short daily review will help your children retain and continue to develop their reading and math skills throughout the summer!

To use these Brain Boosters:

1. Print out the entire review packet. There is a total of 20 pages, with 2 activities on each page.
2. Cut the pages down the middle line.
3. Give your child 1 brain booster (half-sheet) each day. (or as many days as you would like for him to do one) You can just give him the sheet, or keep a folder ready for your kids to use each day. (I like to have a folder with my kids review sheet, and summer reading log or reading program sheet)
4. Enjoy, seeing your kids continue learning throughout the summer!

Please review the following terms of use:
